

Resolution

Interstate Mining Compact Commission

BE IT KNOWN THAT:

WHEREAS, Eric Cavazza has participated in the work of the Interstate Mining Compact Commission (IMCC) on behalf of the state of Pennsylvania for many years; and

WHEREAS, Eric's leadership skills and advocacy on behalf of the states during these years have contributed greatly to the advancement of natural resource and environmental protection in the State of Pennsylvania and nationwide;

WHEREAS, Eric's positive personality and dedication to government service have been appreciated by all those who have had privilege of knowing and working with him;

NOW THEREFORE BE IT RESOLVED:

That the member states of the Interstate Mining Compact Commission, who have had the honor and privilege of working closely with Eric Cavazza over the years, express their sincere appreciation and heartfelt thanks to him for all he has done on behalf of the states and IMCC and wish him all the best in his new position with the Office of Surface Mining Reclamation and Enforcement.

Issued this 15th day of June, 2021

ATTEST:

Thomas L. Clarke
Executive Director
